<p style="text-align: center;"><b>Definition from Wikipedia</b></p> <p>Community volunteering refers to volunteers who work to improve community enhancement efforts in the area in which they live. Neighborhood, church, and community groups play a key role in building strong cities from the neighborhoods up. Supporting these understaffed groups can enable them to succeed in a variety of areas, which connect social, environmental, and economic boundaries.</p>	<p style="text-align: center;"><b>Lake Committee</b> <b>Needs a Chairman</b></p> <p style="text-align: center;"><b>Deadline to submit for next issue is October 20th, 2011.
